Secretary's Report:

NEBNA Secretary, Denny Noto, read the minutes of the last meeting held on Saturday 25 February 2006. A motion was made and seconded that the minutes of the last meeting be approved as read.

The motion carried.

Treasurer's Report:

NEBNA Treasurer, Rich Martin, reported that there is \$1585.83 in the NEBNA General Fund and \$6500 in the Savings Account (for the memorial).

The Fleet Reserve paid for the NEBNA Plaque. The FRA was reimbursed from the NEBNA account for the amount of \$3064.60.

History Chairman Report:

History Chairman, Rick Skelly, reported one update to our current History information from Richard Peffly. He requested that the members that have not submitted their histories please do so.

Old Business:

Proclamation:

A Proclamation was presented to past President, Don "World Famous" Pierce, by the President, "Andy" Anderson.

The Proclamation for Don Pierce was drafted up and approved by all members present at the last meeting.

NEBNA Plaque:

The NEBNA Plaque is now located at the Sanford Veterans Memorial Park on the Lake Monroe River front.

An "ATTA BOY" to "Rotten Ralph" Feedback, for his rendering, aid in construction and delivery "just in time" for the Veteran Day Celebration in Sanford FL.

US Naval Museum:

The NEBNA is still trying to gain entrance to the US Naval Aviation Museum.

The museum is still coping with the damages from the previous hurricane seasons. There are fewer tourists because of shortage of hotel rooms, etc, which amounts to LESS tourist dollars spent in the Pensacola area.

Member, "Pem" Pemberton says there is "new blood" in the Foundation that may fight for the NEBNA.

The members again briefly discussed what other options are available. Perhaps the NEBNA should put more emphasis in placing our history in the Sanford FL Museum.

Member, Robert "Hoss" Rankin, donated a large model of an A3D Skywarrior, to be placed in the "Museum".

The model does need re-painting.

Fund Raising Account:

The members briefly discussed the management of the NEBNA general account and the NEBNA fund raising account. It was agreed that the two accounts to be managed by one person, Treasurer Rich Martin. There will still be two (2) separate accounts.

Member, Don Pierce, reminded the Treasurer to ensure that he has the correct change of address.

Artifacts:

We still need to think about collecting artifacts (all that "stuff" we have just laying around gathering dust, to display "somewhere". If we do not get in the US Naval Air Museum, perhaps we should think about putting up a larger display in the City Museum in Sanford, Florida.

New Business:

Next meeting:

It was agreed that two (2) meetings will held every year. The first meeting will held in Pensacola FL in February and the second meeting will be held in Sanford FL in June. Meeting dates subject to change.

Meeting adjourned:

The meeting was adjourned at 1030.

Respectfully submitted

Denny Noto
